Major milestones:

The Federal and Provincial Governments seeded the SPMTrust with \$10,000,000.

An Advisory Board and 2 Regional Advisory Committees (RACs) were created.

Applications are being received on an ongoing basis.

Both RACs have met and approved projects.

So far 6 projects have been approved.

Grant approvals to date total \$751,950.

23 full time and 6 part time jobs will be created during the construction and development stage

13 full time and 17 part time ongoing jobs will be created once the projects are completed.

An undetermined number of full and part time spin off jobs will be created in the hospitality and tourism sector.
